We will begin mtg with your issues G-P & study. We may go till one, but be prepared to go no more than 1-1/2 hrs.

Mtg went well. A few action items Kelli will follow up on. Nutrients, public participation, and high-flow events data exclusion.

Miguel Flores, Director
Water Quality Protection Div
EPA Region 6

Hello Miguel,

Hope your trip is going well.

We're working on the materials for tomorrow's meeting. A question: is GP scheduled for 10:00-12:00, or will they depart earlier? When should staff be ready to discuss Town Branch and Osage/Spring Creeks with ADEQ?

Thanks
Jane
